

Vello UI kits — app and marketing site

Source: https://vello-design-system.vercel.app/ui_kits/vello-app/index.html and https://vello-design-system.vercel.app/ui_kits/vello-site/index.html · captured 2026-09-17

Reference recreations built only from the design system: the mobile app kit, view by view, then the marketing landing page. Each page shows the capture and the text of that view. The prototype is a different artifact and lives in sources 07 and 08.
